

Club Rules

The Leader of the walk has total discretion on all decisions for the day.

The Leader has the right to refuse anyone not adequately equipped on the day.

Members and guests must inform the Leader if they have a medical condition that may affect their ability to complete the walk on the day.

If you are on medication, it is your sole responsibility.

No pets are permitted.

Respect the [Leave No Trace](#) guidelines – take nothing but photos, leave nothing but footprints!

Car pooling is advised.

Park with consideration.

Be responsible at all times.

The group must stay together for the duration of the walk.

Inform the leader if you are feeling tired, unwell or have suffered an injury.

Minors under the age of 16 years may not join the club but may participate as guests if they are accompanied by an adult member of the family who is a Club member; this member assumes responsibility for the minor.

Guests may participate in three walks, after which insurance is due; this cannot be retrospectively or proportionately applied.

By turning up for a walk, participants (members and guests) agree to abide by these rules and the terms of the club constitution.

The above rules are brief and should be interpreted with a large measure of common sense.
